Enjoy this bumpi jumpy funny speedy reaction game!

Find the right bumpi dice for the combination shown on the cards. Bumpi dice are special, they only have 5 sides connected by a rubber band. So you can press them down flat on the table to see the images on the dice. Be careful, little Bumpis tend to jump back if you press them too hard! Everybody is playing at the same time. Only one of the 8 dice shows the right picture. Act quickly and concentrated and have an eye on the dice the other players are looking at, if you can manage that you can be sure to win the card and the game.
